

HELPER, LANDSCAPE and MAINTENANCE

Temporary Canada Summer Jobs Position

30 hours/week for 6 weeks starting mid-June or early July

\$15.50/hour

Waterdown Village is a busy, vibrant downtown business area where engaged entrepreneurs, residents and visitors work, live, play and build community.

We're looking for an energetic self-starter to help with landscape and maintenance duties throughout the business district.

Does this sound like you?

- This job is funded through the Government of Canada's Canada Summer Jobs program to create quality summer work experience for young people - **Eligible applicants must be aged 15 to 30**
- Enjoy working with your hands, a shovel, and a paint brush
- Able to take direction and then run with it – weeding a garden bed one day; re-painting a street bench the next
- A proactive, self starter; able to see things that need to get done and do them - you will be the eyes on community assets, identifying projects on regular travel paths through the downtown core
- Able to keep a clean workspace and take pride in what you do
- Must be able to lift items at least 35 pounds
- Enjoy working outdoors in all types of weather.

What's in it for you?

- An opportunity to work within the community core; most of the time outside
- Flexible shifts, mostly Monday to Friday, however some weekend and evenings may be needed
- Pride in your community and a sense of accomplishment in seeing projects completed.

How to Apply:

Send your resume and cover letter starting with 5 reasons we should hire you for this position to info@waterdownvillage.ca

The Waterdown Village Business Improvement Area (BIA) cultivates a diverse, inclusive and respectful workplace. The BIA is an equal opportunity employer. We welcome applications from all interested parties. If you are a person with a disability and have a question or require assistance with the application process, please email info@waterdownvillage.ca or call (289) 260-1261.
